NEHA MISHRA
UPPCS-2020, SDM
RANK-10

Any success, seldom comes as a sole work. It is often the result of teamwork. In my case, my parents, friends & teachers, especially Gaurav Shukla Sir played an instrumental role. I owe my success to the guidance & unsurprising support I got from Gaurav Shukla Sir. I feel choosing public administration as my optional on his advice was the best decision during the course of this preparation. I received immense support while preparing Polity, Governance as well as Ethics, which proved to be detrimental in my success. The aspirants often find themselves at the cross roads of never ending notes & aimless allied materials. Au contraire, the tradition of Gaurav Sir to challenge your abilities so that you push the envelope & lay down the road that you feel can comfortably be travelled by you. I tender my heartfelt thanks to Gaurav Sir and AAKAR IAS for helping me travel my journey this smooth.
